

Doctoral Preliminary Examination - Registration form
 Department of Mathematics, Statistics, and Computer Science
 University of Illinois at Chicago

The Doctoral Preliminary Examination fulfills part of the degree requirements for PhD and DA candidacy. Preliminary exams (prelims) are offered annually during the Spring term. Registration forms are due no later than February 28 to the Graduate Studies Office. Exam dates are arranged by the examiner and typically occur before May 31.

Today's Date _____

Last Name _____ First Name _____

UIN# _____ Email _____

Submit one form for *each* exam. Once registered, students who no longer wish to take the exam must withdraw at least 10 days prior to the exam to avoid failing the exam.

Algebra Math 516, 517	Geometry and Topology (Special Prelim) Math 547, 549
Algebraic Topology Math 547, 548	Linear Inference, Sampling, & Design Stat 521 plus one course from Stat 522, 531, 535
Algorithms & Complexity Two courses from MCS 501, 503, 541	Logic Math 502 plus one course from Math 500, 504, 506
Analysis Math 533, 535	Mathematical Science Two courses from Math 574, 580, 582, and 586
Applications Oriented Mathematics Two courses from Math 576, 577, 578, 579	Probability & Statistics Stat 501 plus one course from Stat 502, 511*, 571*
Combinatorics Two courses from MCS 521, 531, 591	Statistical Theory Stat 511*, 512
Computational Science Two courses from MCS 563, 571, 572, 575	Universal Algebra Math 509, 510
Game Theory Two courses from Stat 571*, 572, 591	Doctor of Arts Mathematics Education, History of Mathematics

*** Note that Stat 511 and Stat 571 can be used *in at most one* prelim.**
