

## Department of MSCS – Graduate Studies Request for Thesis Hours

*Graduate students must be formally admitted into doctoral candidacy by the Graduate College before enrolling in more than 4 hours of thesis research per semester.*

Doctoral Candidacy requirements include:

- Satisfying the MS degree requirement
- Earning a qualifying score for the two written prelims and minor sequence
- Selecting a thesis advisor
- Passing the doctoral oral exam (statistics only)

To register for Thesis hours:

- Refer to the current Schedule of Courses to determine the CRN assigned to your thesis advisor.
- Complete and return this form to MSCS Graduate Studies.
- Once you receive an email confirming permission to register, enroll in the section assigned to your thesis advisor.
