

Doctoral Preliminary Examination - Registration form
 Department of Mathematics, Statistics, and Computer Science
 University of Illinois at Chicago

The Doctoral Preliminary Examination fulfills part of the degree requirements for PhD and DA candidacy. Preliminary exams (prelims) are offered annually during the Spring term. Registration forms are due no later than February 28 to the Graduate Studies Office. Exam dates are arranged by the examiner and typically occur before May 31.

A current list of exams and examiners is posted on the website. Complete one form per exam.

Check one:

Algebra Math 516, 517	Linear Inference, Sampling, & Design Stat 521 plus one from 522, 531, 535
Algebraic Topology Math 547, 548	Logic Math 502 plus one from 500, 504, 506
Algorithms & Complexity Two courses from MCS 501, 503, 541	Mathematical Science Two courses from Math 574, 580, 582, and 586
Analysis Math 533, 535	Operations Research Stat 577, 591
Applications Oriented Mathematics Two courses from Math 576, 577, 578, 579	Probability & Statistics Stat 501 plus one from 502, 511, 571
Combinatorics Two courses from MCS 521, 531, 591	Doctor of Arts Mathematics Education History of Mathematics
Computational Science Two courses from MCS 563, 571, 572, 575	Universal Algebra Math 509, 510

Once registered, students who no longer wish to take the exam must withdraw at least 10 days prior to the exam to avoid failing the exam.
