

Master's Examination Registration form
Department of Mathematics, Statistics, and Computer Science
University of Illinois at Chicago

The comprehensive Master's Examination fulfills part of the degree requirements for the MS degree in Mathematics. Students taking this exam must be admitted to one of the MSCS graduate degree programs and must present their UIC student I.D. card at the time of the exam.

This form must be completed and submitted to the Graduate Studies office at least 2 weeks prior to the exam date. Exam dates are posted on the Graduate Studies website.
