

FINANCIAL AID APPLICATION
For Continuing MSCS graduate students

General Guidelines

1. All students whose financial support ends at the end of the current term must re-apply. Check your signed offer letter to confirm your appointment.
2. Only degree-seeking students already admitted to a Mathematics Department Graduate Program will be considered for financial aid.
3. Applications must be received by the deadlines listed on the MSCS Graduate Studies web page. Submit a separate application form for each term.
4. International applicants must have a current F-1 or J-1 visa AND a minimum TOEFL score of 600 to apply for a Teaching Assistantship.
5. Teaching Assistantships (TA) and Tuition and Fee Waivers (TFW) will be awarded based primarily on the instructional needs and goals of the department. After this, priority will be given in this order:
 - PhD students who have completed their preliminary exams, chosen a thesis advisor, and obtained the endorsement of their thesis advisor on the application form.
 - PhD students who have demonstrated academic promise and completed coursework toward their degree.
 - MS students who have completed all core courses and at least 20 credit hours toward the MS degree and have earned a minimum cumulative GPA of 3.5 with no C grades.

Application Instructions

1. Before completing the application, all students must READ the “General Guidelines” listed above.
2. PhD students who have completed their preliminary exams and chosen a thesis advisor must request the signature of their thesis advisor on the application form (see item 8).
3. MS and PhD students who have worked as TAs in the MSCS department must include the name of their current faculty supervisor on the application form (see item 7).
4. This application form is the ONLY document required for application. No additional supporting documents will be accepted.
