

## Mathematics Education Colloquium

*"Studying students studying calculus"*

Aida Alibek (UIC)

**Abstract:** We will have a discussion of Uri Treisman's article "Studying students studying calculus: a look at the lives of minority mathematics students in college", as well as the ESP program and minority student experiences at UIC. Everyone is welcome to join the discussion. For a pdf of the paper, please contact aalibe2@uic.edu.

Note: Uri Treisman is the creator of the ESP program that is currently implemented at UIC.
